"YOU'RE A THIEF!"

That's the Way a Maysville Man Responded at Lexington.

Superintendent of Public Works William Sleath called City Auditor L. Ed. Pearce a liar during the impeachment trial of Superintendent Sleath at Lexington.

Pearce, on the witness stand, had said that he had frequently asked Sleath to furnish him with a certain report.

Pearce grabbed the witness chair and raised it over his head, exclaiming to Sleath, "You are a thief!"

The men rushed at each other.

The chair was gotten away from Pearce.

Both attempted to draw pistols, but they were finally quieted and disarmed.

Sleath is charged with turning in a padded payroll.

Mr. Pearce is a former Maysville man, recently appointed Auditor at Lexington, and the trouble grows out of the fact that he is exposing some of the rascally methods of the rascally ring of the Bluegrass Capital.

HOW ARE PEOPLE GOING TO KNOW WHY THEY SHOULD TRADE WITH YOU IF YOU DON'T TELL THEM?

THE LEDGER WILL CARRY THE INFORMATION TO MANY THOUSANDS.

TO CURE A COLD IN ONE DAY
Take laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c.

A petition is being circulated in Lewis county, and being universally signed, asking the next Legislature to pass an act making it a penal offense to kill rabbits for gain. A great many of the white tails are being knocked over and shipped to Cincinnati, greatly to the chagrin and grief of the true sportsman.

Squire E. W. Ellington, who lives in Morgan county, has broken all previous records by furnishing 75 nephews, 31 cousins and one brother who voted for Major McKinley at the last election. Squire Ellington is 80 years of age, and never cast but one Democratic vote, and that was for the Hon. John W. Kendall, now deceased, for Congress six years ago.

TIME

is what I want to talk to you about now. Very few things are so easy to lose and so hard to regain as time. Is your watch time right? Does it lose time? Perhaps it gains? Either way will keep you guessing. I repair watches so you don't have to do any guessing.

There are two reasons why I pay so much attention to watch repairing. I make money out of it of course—that's what I'm in business for—but best thing about it is that it brings good people into the store, and as I do watch work right, and at the right price, it is a convincing argument that the rest of my business is right too.

Watch Repairing, however, is only a side issue. I sell Watches, Diamonds, Jewelry, Clocks and a great variety of beautiful and useful things for gifts of all kinds.

Squire Cass of Cincinnati has rendered judgment against "Colonel" Jack Chinn of Harrodsburg for \$117.50 on a suit brought by Bullock & Jones, tailors of San Francisco. Colonel Chinn ought to leave off managing the Free-aller campaign long enough to attend to his private finances.

JUDGE HOLT FOR THE CABINET.

There Was a Meeting in Frankfort in His Behalf.

A special from Frankfort says a meeting of Judge W. H. Holt's friends was held with a view of urging Judge Holt for a Cabinet place.

In the meeting were Congressmen-elect David G. Celsen of the Eleventh, George M. Davison of the Eighth, Sam J. Pugh of the Ninth, Senator W. H. Clarke and Dr. Turner of Bowling Green, and others.

It was insisted that Kentucky Republicans were entitled to such recognition from the National Administration.

Judge Holt attended college with Mr. McKinley, and was one of the original McKinley men in the state.

LOOK HERE!

Men and Boys Wanted—Your Pleasure and Good Sought.

Miss Roberts Cox, Mr. U. G. Bailey and Miss Berry, the two former on violins and the latter upon the piano, will render a trio at tomorrow's Men's Rally in Y. M. C. A. Hall. Dr. P. G. Smoot and Mr. R. L. Hoedich will play a beautiful duet, using the violin and piano respectively. In addition to these there will be a hearty song service, beginning promptly at 3 o'clock and continuing for 15 minutes—a male chorus of nearly forty voices, of which you can be one by lending your presence. To all this add a brief season of prayer and Bible reading and you have an hour made up of good things.

Come out tomorrow and help swell the Men's Rally to a pean of praise to God for the many blessings He has given you—health, food, friends and the gift of eternal life.

Great stress is put upon the social side of human nature by the Y. M. C. A. Mindful of the great need of having this committee composed of young men who have influence among their fellows, who have a penchant for leading their companions, the President of the Board of Directors gave extraordinary attention to fitness, ability and zeal. The wisdom of his choice is obvious, and already these ten young men named have taken hold with a vim and earnestness born of enthusiasm for human weal. Each evening one committeeman is present, acting as host, who welcomes all comers to the room. Courtesy, diplomacy and brotherly kindness characterize this committee, and under the social regime which is to form history for the Local Y. M. C. A. we feel safe in saying a brilliant record will be the outcome of this Social Committee's conduct of affairs in Y. M. C. A.

LET THEM DO IT!

They Want Fayette, Bourbon and Woodford Thrown Out.

A special from Lexington says the Free-silver men intend making a fight before the State Returning Board to have the counties of Fayette, Bourbon and Woodford thrown out on account of free turnpike elections having been held in each.

In Fayette there was also a School Board election, making three elections on the same day.

This they claim is in plain violation of the law, and renders the elections invalid in the counties in which the elections were held.

When seen regarding the matter Chairman Roberts said he felt no uneasiness regarding the fight being made by the silver men.

The fact is, the Republicans would be glad to have the contest opened up, believing they could get the best of the wrangle, which would bring many counties into the controversy.
